William C. Ward, President
Land Redevelopment Company
1609 Bedford Road
Deerhurst
Wilmington, Delaware 19803

Dear Mr. Ward:

Please be notified that the County has satisfactorily taken care of all the necessary steps to move the operation of depositing refuse to the middle point outlined in the supplemental agreement pertaining to this matter.

We suggest the middle of next week as a suitable time to make this move.

Yours very truly,

Uldis Karins, P.E.
County Engineer
